## FINDING YOUR PURPOSE

| YOU LOVE IT | YOU ARE GREAT AT IT | THE WORLD NEEDS IT | YOU ARE PAID FOR IT |
|-------------|---------------------|--------------------|---------------------|
|             |                     |                    |                     |
|             |                     |                    |                     |
|             |                     |                    |                     |
|             |                     |                    |                     |
|             |                     |                    |                     |
|             |                     |                    |                     |
|             |                     |                    |                     |
|             |                     |                    |                     |
|             |                     |                    |                     |
|             |                     |                    |                     |
|             |                     |                    |                     |
